Services Pricing

Edge to Edge Quilting

2¢ per square inch for standard density quilting.

4¢ per square inch for dense quilting.

Minimum Quilting Charge is \$40.00

Batting

White or Black batting - 80/20 Cotton / Poly 108" wide - **\$0.30 per linear inch.**

Natural 80/20 Batting - 80/20 Cotton / Poly 96" wide - **\$0.25 per linear inch.**

Natural 80/20 Batting - 80/20 Cotton / Poly 120" wide - **\$0.30 per linear inch.**

(You may provide your own **quality** batting if you choose)

Add-on Charges

If your quilt requires additional preparation upon its arrival, extra charges will apply. You will be notified by phone or text before the work is done. **\$35 per hour flat rate.**

Proper Quilt Preparation - by following these 7 preparation steps below, you can avoid time delays and add-on charges (please call me if you have any questions):

- 1) Square up quilt top and reinforce outside edges with stay stitching to prevent piecework from pulling apart.
- 2) Press your quilt top and backing thoroughly.
- 3) Clip all loose threads from the back and front of the quilt top.
- 4) Size your backing and batting 4 to 6 inches larger than your quilt top on all four sides.
- 5) Square up backing fabric.
- 6) Use smaller stitches when piecing your backing. I recommend a ½ inch seam allowance - stitch ½ inch away from the selvage! Be sure to remove all selvages after seaming your backing.
- 7) Wavy borders, fullness, and puckers cannot be quilted out, and may result in additional preparation charges.

Binding Services:

I am happy to do the finishing touches by binding your quilt for you. I can do both straight and bias binding: cut at either 2 ¼ or 2 ½ inches, folded, and then pressed in half. The binding is attached to the back of the quilt by machine, then is wrapped to the front and sewn down by machine. ***Sorry, I do not provide hand binding!***

You supply the fabric, and I will make the binding and attach it. **\$ 0.39 per linear inch.**

Attach only

You provide the binding, and I attach it for you so that you can hand whip down. **\$ 0.11 per linear inch**

✂ I use (and prefer) high quality quilting thread – such as **Glide Thread by Fil-Tec.**

A variety of 100% cotton or poly/cotton threads also available.

✂ Feel free to contact me with any questions.

Looking forward to hearing from you soon!
